

## **Membership based program for parents and their children in kindergarten or younger (must be potty-trained)**

**Memberships are annual and based on the family, adults are  
transferrable since programs are for the children**

### **MEMBERSHIP INCLUDES:**

- Access to anywhere from 2 to 4 pickleball courts a day to play pick-up games or schedule mini-tournaments
- Monthly tournaments held the last Friday of each month with prizes awarded
- Open shoot basketball court except when a tournament is going on
- Indoor walking route in climate controlled conditions
- Access to our Café where members can enjoy refreshments, card or board games, TV and more
- Non-members may attend for a daily fee

### **Sample Programs Include but are not Limited to:**

Play Time Any Time	The least structured activity, this gives parents a chance to have play time with their children in a safe environment free from the elements. Want to ride a big wheel or bicycle in January? Go ahead! The only limits are your imagination
Welcome to Sports	An introduction to a variety of age-appropriate sports modified for children of that age. The focus is on very basic skills and fun!
Little Learners	Using sports and recreation to teach a variety of concepts including shapes, sounds, rhyming, counting, letters and more! This program is the foundation for children realizing the value in sports as an educational opportunity.
Get Up & Go	A non-sport specific program that focuses on fine-motor skills, balance, overall athleticism and dexterity.
Kid Again	Parents and children play a variety of kids games together such as Red Light-Green Light, Fox In The Hen House, Freeze Tag and more. Children learn about following rules of games while having fun and parents get to relive their childhood with their children at the same time.

### **MEMBERSHIP OPTIONS**

Up to two parents are included with every membership

Parents and one child \$200/year

Parents and two children \$350/year

Parents and three or more children \$500/year

Non-members are always welcome to register for classes at a rate of \$10 per class

If members fail to show they must pay a non-member fee for future classes, returned on completion of the class.
